QUESTION AND ANSWER SHEET

Please give a detailed explanation of how you became over – indebted)

I became over-indebted after my businesses failed following the COVID-19 period. The
businesses came under severe financial pressure during and after the pandemic, and tl
lack of post-COVID venture capital prevented recovery despite attempts to pivot the
business strategy. I consequently lost my businesses and primary source of income.
Thereafter, I attempted to rebuild my income through consultancy work, but this proces
was slow and insufficient to meet my obligations. During this period, I relied on
additional credit made available by the banks, believing I would be able to repay it once
my income improved. However, the accumulated interest and repayment burden becan
unsustainable, resulting in my over-indebtedness.

Thus dated and signed at CAPE TOWN on this 17TH day of APRIL 20.26
